4 COLLATERAL MURDER

2010
The Collateral Murder classified US military video depicts the 2007 slaying of over a dozen people in the Iraqi suburb of New Baghdad, including two Reuters journalists and their rescuers. It documents a war crime.

WikiLeaks 10 YEARS 10 MILLION DOCUMENTS

Leaked video is from the gunsight of one of the attacking helicopters
2 journalists killed
The photographer's camera is visible
2 children severely injured
Their father dies in a van attempting to save one of the journalists

We saw a wounded man lying in the square, my father stopped to help him

The Pentagon blocked Reuters from accessing the footage under FOI laws
The Washington Post had a copy of the video for at least a year, prior to its release by WikiLeaks

A major turning point was when I pulled those kids out of the van. I stopped firing my weapon, I stopped beating people needlessly. It was at that point that I really realised what we were doing was wrong
Ethan McCord, US Army soldier

VIDEO GAME MENTALITY
The soldiers' comments on the video show an eagerness to kill anything that moves
Light 'em all up. C'mon, fire! Oh yeah, look at those dead bastards...

"The acts depicted in this video are everyday occurrences of this war
